

# At The Janus School, we understand that all minds think and learn differently.

For students with learning differences, the summer months are a critical time to continue skill development. The Janus School Summer Program is designed to identify areas of strength and weakness, and practice effective learning strategies to develop the academic and interpersonal skills necessary to access students' true learning potential. As a parent, an awareness of these areas will help you make future educational decisions for your child.

We pride ourselves in offering a positive learning experience in which students are guided to understand their learning style and practice effective learning strategies. We offer social interaction in a safe, caring, and non-competitive environment. We sow the seeds for the benefits of an active lifestyle through participation in collaborative activities. We instill confidence and help children find the successful person within.

The Janus School Summer Program's faculty includes a counselor and speech/language pathologist; all have a proven track record of helping students gain the confidence and skills necessary for success. They are collaborative, caring, and supportive, creating an individualized learning experience for each student. For more information, call 717-653-0025 or visit [www.TheJanusSchool.org](http://www.TheJanusSchool.org).

The Janus School's faculty is committed to helping students with learning differences access their potential whether they are just beginning, or actively involved, in the process of discovering their own unique learning style.

The Janus School does not discriminate on the basis of race, color, religion or national and ethnic origin in admission and financial aid programs, the administration of its educational and other school programs or employment policies.

## OUR MISSION

*The Janus School is a non-profit independent day school dedicated to helping individuals with learning differences access their potential by providing excellence in education, research, and community outreach.*

THE JANUS SCHOOL  
Because Not All Great Minds Think Alike

At The Janus School, we understand that all minds think and learn differently. Our Summer Program is grounded in this philosophy and aims to boost student's confidence, interest in learning, and skills according to their individual needs.

\_\_\_ My child attended The Janus School Summer Program in past years.

\_\_\_ My child is/was a student at The Janus School.

\_\_\_ We are considering enrollment at The Janus School for the next academic year.

How did you find out about our Summer Program? \_\_\_\_\_

Does your child have a formal diagnosis of a learning difference? \_\_\_ Yes \_\_\_ No

On a separate page, please describe your child's learning style and your expectations for attending The Janus School Summer Program. This information helps teachers and tutors form a better understanding of your child's individual needs prior to the beginning of a given Program.

Once your registration is received and reviewed, you may be contacted to schedule a placement screening for your child. The placement screening typically lasts 1-2 hours. There is no fee for this service.

**A \$100 non-refundable deposit is required at time of registration.** Balance of the tuition for each session is due by June 10, 2011. Tuition for the Core Academic Program is refundable on a pro-rated basis by week - once a week is started, the tuition portion for that week is non-refundable. Tuition for the Afternoon Programs and Assistive Technology & Study Skills Seminar is non-refundable. By signing this agreement, parent/guardian agrees in full to these terms.

# Programs

## Core Academic Program

The Core Academic Program is for students K-12, with or without a diagnosed learning difference. The Core Academic Program is offered in two 3-week sessions and includes instruction in small classroom settings. The Program includes Language Arts, Math, Diagnostic Tutoring and Enrichment Classes. Students participate in a collaborative environment that focuses on the development and understanding of their own learning profile. The overall goal of the Core Academic Program is to provide students and you, as parents, with information that will enable you to reach a better understanding of your child's strengths and weaknesses.

Session I	June 20 - July 8, 2011	8:30-11:45am	\$630.00
Session II	July 11 - July 29, 2011	8:30-11:45am	\$680.00

## Assistive Technology & Study Skills Seminar

The Assistive Technology & Study Skills Seminar is for students in grades 8-12 and is offered in two 3-week sessions, meeting on Tuesdays and Thursdays. The Program is designed to provide students with introductory training in how to use *Kurzweil* and *Dragon Naturally Speaking* software in order to develop their ability to independently complete essential academic tasks such as reading for comprehension, note-taking, and writing. The Study Skills component of this Program will focus on the development of a hierarchy of skills that include organization, recall, distinguishing main ideas from details, paraphrasing, note-taking, summarizing, test taking and preparation, prioritizing and goal setting.

Session I	Tue/Thu	June 20 - July 8, 2011	9:30-11:30am	\$250.00
Session II	Tue/Thu	July 11 - July 29, 2011	9:30-11:30am	\$250.00

## SAT Prep Course

Abbey Harris, a professional teacher for 32 years will teach this 6-week course to successfully prepare students with necessary strategies and skills in Vocabulary, Critical Reading, Math, Writing and Essay for the SAT exam. This class will help students build confidence in taking a test and analyzing all types of questions on the SAT Exam. To register for this class, please contact Abbey Harris directly at 717-293-8182. A minimum of 5 students is required for this class. See the Summer Program link at [www.TheJanusSchool.org](http://www.TheJanusSchool.org) for registration form.

Tue/Thu	June 21 - July 28, 2011	12:15-3:15pm	\$550.00
---------	-------------------------	--------------	----------

## Afternoon Programs

The Afternoon Programs are daily 1 or 3 week session(s) for students in grades K-12. These Programs provide students the opportunity to develop interpersonal, team-building, artistic, movement, and expressive skills.

### Theatre

Join our Theatre Program where students will explore a multitude of fun theatre games, songs, dances and skits. The session will culminate with a student-created performance for family and friends!

June 20 - July 8, 2011	12:00-3:00pm	\$450.00	Ages 6-12
------------------------	--------------	----------	-----------

### Introduction to Spanish Language and Culture

In this course, we'll take a multisensory view of Spanish language and culture. Here you'll have a chance to dance your way through the alphabet and eat all the numbers on your plate. Learn what makes Spanish so special throughout the sweeping panorama of Latin culture with its colorful variety. You'll learn simple words and conversational basics that will help you unlock the door to understanding a new language and its people. ¡Ven conmigo a la fiesta! (Come join the party!)

July 11 - July 29, 2011	12:00-3:00pm	\$450.00	Ages 7-12
-------------------------	--------------	----------	-----------

### Introduction to African Dance

This class is for anyone who wants to try a new form of movement. Dancing is a great way to exercise and the African form is a fun way to celebrate your abilities. You will learn movements and hear music from the traditions of Guinea, West Africa. The focus will always be on the freedom and celebration expressed through African dance rather than on a dancer's proficiency. Students will be encouraged to listen to their own bodies and adapt the movements to suit them. No experience necessary!

July 11 - July 15, 2011	12:00-3:00pm	\$175.00	All Ages
-------------------------	--------------	----------	----------

### Photography

Learn to appreciate the beauty all around you. Capture the beauty of nature in photographs and use nature as inspiration to create works of art. Each day, students will complete one art project and practice one photography concept using elements of nature as subjects.

July 18 - July 22, 2011	12:00-3:00pm	\$175.00	All Ages
July 25 - July 29, 2011	12:00-3:00pm	\$175.00	All Ages
